How to use a sightseeing taxi

What is a sightseeing taxi?

Sightseeing taxi takes customers to the tourist attractions of their choice. The most attractive feature is that customers can freely select sightseeing routes and take a taxi to tourist sites that are not accessible by bus or train without having to transfer.

An advance reservation is required to use a sightseeing taxi.

1 Book a reservation

Please book a reservation by calling a taxi company in the area by the previous day of your preferred day (by 5 p.m.)

2 Pick-up

A taxi is waiting at the location specified at the time of booking.

3 Taxi and Sightseeing

Once you get on the taxi, the driver will confirm the sightseeing plan, restaurant, and the place for dropping off. Sightseeing guide is not offered.

4 Drop-off

The taxi will take you to the place that the driver confirmed with you at the time of the pickup.

Notes for using a sightseeing taxi

- 1) Taxis are standard-sized and jumbo vehicles. Regarding jumbo vehicles, please separately consult with each taxi company.
- 2) The sightseeing plans shown here are sample plans. Please feel free to ask about the sightseeing plans not shown in this brochure.
- 3) The time shown is only an estimate. Some slight delays may occur depending on traffic conditions.
- 4) Prices are fixed for each 30 minutes.
- 5) Prices do not include expressway tolls, entrance fees, admission fees, etc. Other fees are paid by the customers separately.
